

**WETLAND CONSERVATION ACT
TECHNICAL EVALUATION PANEL
August 1, 2017**

The public meeting was called to order at 10:00 AM by Heather Cunningham.

Voting Members Present: Karola Dalen, Carlton County Zoning and Environmental Services; Laura Christensen, Soil and Water Conservation District (SWCD)

Ex Officio Members Present: Mike Scott, DNR Conservation Officer; Andy Chambers, Army Corps of Engineers

Others Present: Will Bomier, Carlton County Transportation

Motion by Christensen, second by Demmer, to approve the minutes of the July 11, 2017 meeting.

617028 MN Power (Dam 12, Dam 5 Spill Capacity)

The WCA TEP discussed the project. A motion by Christiansen and seconded by Cunningham recommended approval of the replacement plan to the Carlton County Board of Commissioners at the August 28, 2017 meeting.

617030 Carlton County Transportation (Eagle Lake Rd) (Local Rd Bank)

The TEP reviewed the maps and proposed wetland impacts regarding the safety improvements proposed for Eagle Lake Rd. Cunningham and Christensen signed the TEP Concurrence form.

Carlton County Transportation Delineation Field Day

Bomier arranged a date of August 30, 2017 with Chambers and Dalen for a review of several wetland delineations associated with upcoming road construction projects with proposed wetland impacts.

Violations Update

The TEP discussed current violations.

Meeting was adjourned at 10:45 AM with a site visit by Dalen and Christensen to follow. The next TEP meeting is September 5, 2017 at 10 AM.

Respectfully submitted,

Karola Dalen
Carlton County Zoning and Environmental Services Administrator
