**CARLTON COUNTY
COMMITTEE OF THE WHOLE AGENDA**
Carlton County Transportation Building, Board Room
August 7, 2018

1. Call to Order – Commissioner Brenner called the meeting to order following the special meeting of the Finance Committee. It was agreed by consensus that due to the four plus hours of budget presentations, all COW agenda items that needed to be addressed in the next week would be moved to the regular board agenda. All present were reminded to sign up for the Carlton County Fair booth. The meeting was then adjourned by consensus.
